

International OK Dinghy Australian Championships 2025
Black Rock Yacht Club
4th to 7th January 2025

Supplementary Information to Competitors and Friends

September 2024

Dear OK Sailors and Supporters

The Notice of Race and Entry Form has now been posted on the ok.org.au the club website bryc.com.au and on the mysailor app which is used for entries and other event information.

Your regatta entry fee includes a regatta T-shirt and entry to two event functions, Welcome function and Presentation Dinner.

The regatta is from 4th to 7th January 2025, however we intend to open up early registration between 2pm and 5pm Friday 3rd January 2025 and located in the Regatta Office at BRYC. The Welcome function will also be held on Friday 3 January 2025 starting at 6pm.

It would be appreciated if you can advise us of any additional numbers for either the Welcome function or Presentation Dinner. You will be able to pay for any additional tickets at registration by card.

We would also like to pre order sizes for T Shirts for competitors. This will be via return of the attached Order Form to me before 15 November 2024. If you don't order your size before this date, you will be given a size shirt that is available at registration, most likely either a Large or Extra Large.

If you have not yet entered by 15 November or are unsure as to whether you intend to enter, you can still order a T shirt and if you end up not entering and paying the entry fee, we will invoice you \$30.00 for the shirt and any additional costs involved with postage.

The order form contains a sizing chart.

Please return your form to mtjackson735@gmail.com

If you have any questions, please contact me by email, noting I will be in Europe from 4 October to 6 November 2024. Outside of these dates, you can call on 0414 334 702 or send me an SMS, including your contact details.
